Founder & Chairman | Institution Builder | Economic Strategist

DR. WALEED BREKAA

ENTEBBE, Uganda – In a groundbreaking achievement, E&E Experts Co. (U) Ltd, has become the first Ugandan firm to secure accreditation from the American Petroleum Institute (API), the global leader in setting standards for the oil and gas industry.

OIL & GAS AND ENERGY

Founder & Chairman – Experts Company for Oil & Gas

Founder and Chairman of Experts Company for Oil & Gas (Egypt) and Its East African subsidiary E&E Experts Uganda.

Lead the strategic vision, expansion roadmap, and formation of international partnerships.

To position Experts Company among the top oil and gas service providers in Africa through regional integration, strong multinational alliances, and deep operational capacity in drilling, well interventions, and manufacturing.

Experts Company is building the infrastructure and capacity for an African-led future in oilfield services—backed by global standards, executed with regional talent, and focused on long-term industrial presence.

Strategic Action Plan:

- Build multinational joint ventures with global oilfield service leaders
- Expand operations in key African energy markets
- Localize manufacturing and machine shop capabilities
- Invest in drilling and well intervention technologies
- Secure strategic licenses to increase technical autonomy
- Develop a high-performance workforce across regions
